## **DETAILED ACTION**

### ***Response to Amendment***

The claim objections and rejections as described in the office action mailed on July 1, 2005 have been withdrawn in view of the amendment filed on July 11, 2005.

A new rejection follows.

### ***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 15-17 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claims 15-17 are indefinite because the expression "wherein the heating section includes a waveguide" in claim 15 appears to be incorrect. Since claim 13 contains both a reference to a "heating section" and a reference to a "microwave heating section", claim 15 is interpreted to further limit the heating section and not the microwave heating section. However, it appears as if the microwave heating section contains the waveguide and not the heating section. See page 4, lines 20-23 of the specification.

### ***Allowable Subject Matter***

Claims 13, 14, 18-20 and 22 are allowed.

Art Unit: 1764

Claims 15-17 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

The following is a statement of reasons for the indication of allowable subject matter:  
The prior art of record does not disclose or suggest an apparatus as claimed that contains a microwave heating section in combination with the other apparatus components.

### ***Conclusion***

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
